

Death Cafe

**Please join us at the Beethoven Centre, Third Avenue,
W10 4JL
Wednesday, 10th December 2025
14:00- 15:30**

The Death Cafe is a safe and friendly space to talk in a small group about your thoughts and experiences about death and dying from an unpaid carers perspective.

Whilst this group is not a counselling session, it will provide a space for open discussions and a chance to meet other unpaid carers facing similar challenges.

Coffee, teas, and cakes will be provided.
